

MIR HYDER ALI

FRONTEND DEVELOPER

+91 6304263035 | HYDERABAD, TELANGANA | hyderali69928@gmail.com

Objective

To obtain a challenging frontend web developer position in a dynamic and innovative organization where I can utilize my technical and creative skills to develop and maintain responsive, user-friendly, and visually appealing websites.

Skills & abilities

HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Node.js, Express.js (Basic), MongoDB, MySQL, Responsive Web Design, Git & GitHub, VS Code, Antigravity, Chrome DevTools, Problem Solving & Debugging, Strong Team Collaboration and Communication

Experience

FORESIGHT CAPITAL

Front-end web developer | April 2026 – July 2026

- Develop and maintain responsive, user-friendly, and visually appealing websites using programming languages.
- Converted UI/UX designs provided by the design team into fully functional and responsive web pages.
- Collaborate with cross-functional teams to optimize website performance, user experience, and SEO.

EZY INNOVATION PVT LTD

Full-stack web developer | August 2025 – November 2025

- Built and maintained scalable and secure web application using TypeScript, Node.js, Tailwind CSS, JavaScript, and Mongo DB.
- Collaborated with a 3-member team on authentication and dashboard modules.
- Improved UI responsiveness and deployed the project using Vercel with Git version control.

Projects

PORTFOLIO WEBSITE

- Designed and developed a modern personal portfolio showcasing projects, technical skills, and contact information using react.js and tailwind CSS.

MEN'S ACCESSORIES E-COMMERCE WEBSITE

- Developed a responsive e-commerce website featuring product listings, shopping cart UI, authentication pages, and modern interface design.

RESTAURANT QR ORDERING SYSTEM

- Designed a QR-based restaurant ordering system using react, tailwind CSS, node.js, and mongo DB where customers can scan a QR code, browse the menu, place orders, and track order status digitally.
-

Education

ST. JOSEPH'S DEGREE COLLEGE, OSMANIA UNIVERSITY

Bachelor of Computer Applications (BCA)

Earned a 7.1 GPA and completed relevant coursework in web development, database management, and software engineering.

Communication

Good communication skills enable me to collaborate with clients, stakeholders, and cross-functional teams to deliver high-quality results.

Leadership

- Led the design and development of multiple personal web development projects.
- Managed project planning, UI implementation, and version control using Git.
- Continuously explore modern frontend technologies and best practices to improve development skills.
